

YOUR FUTURE SELF IS SMILING.

As the first-ever plant-based sparkling energy drink, Hustle by MatchaBar is breaking new grounds, just like you.

We know the road to success is not an easy one and even the hardest workers need a boost sometimes. With no artificial sweeteners or chemicals, this 12-oz can is the key to making your big goals become reality without sacrificing the quality of ingredients.

Feel confident knowing each sip is gluten-free, vegan non-GMO, and certified organic. Blended with real fruit juice for a refreshing flavor and ceremonial grade matcha for a boost of energy without the sugar crash, Hustle is your guilt-free daily pick-me-up. Let's make the future you proud.
